OFFICE OF PETITIONS

Dear Sir/Madam:

This is a response to the Notice, mailed on February 2, 2009 (copy attached), dismissing my request for change entity status and for acceptance of a fee deficiency submission. The Notice indicated that a Statement under 37 CFR 3.73(b) was required. The requested statement is enclosed.

Accordingly, I hereby renew my prior request to change the entity status for patent no. 5,612,527 from small to large entity, for the reasons stated in my original request (see enclosed copy of original request). The deficiency payment in the amount of \$2,055.00 was previously charged to my credit card on December 27, 2008 as acknowledged by the USPTO on December 26, 2008 (see enclosed Patent Bibliographic Data noting payment of Maintenance Fee under 1.28(c)).

I note that in the interim the requisite fee has increased by \$100. In the event that an additional \$100 payment is required, I have enclosed a credit card authorization for that amount.

Kindly telephone me if there are any questions regarding the above or there are any questions regarding payment issues.

Sincerely,

Victor A. Ovadia

Regarding: Patent Number 5612527
Application Number 08414281

Dear Commissioner,

On June 1, 2008, the 12-year maintenance fee on the above referenced patent was paid claiming small entity status. This was an unintentional error and large entity status should be large entity.

Kindly revise the status of this patent from small entity to large entity.

Please note a fee of \$1,955 was paid previously and a credit card transmittal form PTO-2038 is attached making an additional payment of \$2,055. This brings the total 12-year maintenance fee paid to \$4,010.

Please telephone me if there are any questions regarding the entity status of this patent or unresolved payment issues. I can be reached by telephone at (860) 280-8817.

Thank you,
